

Juan Carlos Jr. V. Blancaflor

PROFILE

244 Real St, Elias Aldana, Las Pinas City
Philippines
+63 977 617 2993
juancarlo2324@gmail.com
Birthday: March 1, 1993
Age: 29 **Sex:** Male
Status: Single
Religion: Roman Catholic
Height: 6’0 ft. **Weight:** 95 kg

EDUCATION

**Bachelor of Science in Mechanical
Engineering Technology (3 years
ladderized course)
2010-2013**
Technological University of the Philippines
Kalaw, Manila

SKILLS

- Proficient in using Microsoft office tools, (Word, Excel, PowerPoint) and Internet Savvy
- Good team player with the ability to learn quickly and work independently with minimal supervision.
- Can work with heavy products
- Supported other team members and facilitated in creating a stress reduced atmosphere
- Knowledgeable in Autonomous Maintenance
- Can operate different types of Machines like WAC, PWAC, Traypacker, Sandblasting, Mixer machines
- Can work collaboratively in all levels of organization
- Good team player and have good leadership abilities
- Good oral and written communication skills

TRAININGS

Safety Training Observation Program (STOP)
Good Manufacturing Process Refresher
HALAL Awareness Training
Hazardous Material Awareness Training
Kaizen Workshop Training
OJT Welding Certificate
